

Our Pet Policy (a.k.a. House Rules for the Four-Legged VIPs)

We love pets. We really do. But even the cutest floof has to play by a few ground rules.

- Pets are welcome by discretion only, think of it as an invite, not an open house party
- A pet charge of ₹500 per pet, per night applies. (Because extra paws = extra cleaning, and our broom also works overtime.)
- All pets must be fully vaccinated. Please bring the vaccination card at check-in, safety first, tail wags second.
- The pool is strictly humans-only. No doggy paddling, no cannonballs, no exceptions.
- Beds, sofas, chairs, carpets and mattresses are no-go zones for pets. We adore cuddles, just not on our linen.
- Please carry your pet's food, utensils and bedding. Your pet knows their favourites better than we ever could.
- Pets are free to hang out in the living room, dining area, and all open farm and garden spaces, plenty of room to sniff, stretch and sunbathe.
- If your pet has an accident indoors, the clean-up is on you. We promise not to judge. Accidents happen
- Any damage to the villa caused by your pet will be the owner's responsibility.

Love is unconditional. Repairs are not. If this all sounds fair, we'll be more than happy to welcome you and your furry plus-one to Green Roots Farm (Just don't let them steal the spotlight completely.)
